26TH JUNE 2026

## HEADTEACHER UPDATE

What a **hot, hot, hot** week it has been! ☀️

A huge thank you to our incredible staff, children and parents for working together so brilliantly to keep our school running smoothly while ensuring everyone stayed safe during these record-breaking temperatures. Your patience, support and good humour have been greatly appreciated.

On Monday, our Year 1 children had a fantastic visit to Twycross Zoo. They had an amazing day, demonstrating the Monksmoor Way throughout the trip while learning all about a variety of animals and their habitats. Their curiosity, excellent behaviour and enthusiasm made us all incredibly proud.

It was also lovely to welcome our new Reception families this morning for our Stay and Play sessions. It was wonderful to see the children beginning to explore their new environment, meet staff and make new friends. We can't wait to welcome them properly to the Monksmoor family in September.

A very special shout-out goes to Mrs George, Mr Wyness, Mrs Brock and Mr Urquhart, along with all of our fantastic Year 4 children, who enjoyed an amazing (if very warm!) residential visit to Everdon this week. They embraced every challenge with enthusiasm, resilience and smiles, making memories that I'm sure will last a lifetime.

Hopefully, next week will see a return to more normal temperatures, making things a little more comfortable for everyone. Enjoy your weekend, and thank you, as always, for your continued support.

## THE MONKSMOOR WAY AWARDS

This week, we proudly celebrated another group of Monksmoor Way Award winners. These awards recognise children who continually live out our school values through their learning, behaviour, and the way they treat others.

**This week, the Monksmoor Way Award goes to everyone!** ☀️

We are so proud of all our children for the resilience, positivity and kindness they have shown during this week's hot weather. Every pupil has been a Monksmoor Way superstar!

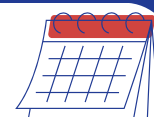

## REMINDER - ARBOR PARENT PORTAL

As you will be aware, we are transitioning to using Arbor as our new parent communication and information system. If you haven't already, please register your Arbor account using the email invitation sent on 5th June. Once registered, please check and update your contact details, consents and your child's medical/allergy information. Please also return your completed data collection form to school by 30th June.

**From 3<sup>rd</sup> July, all communication will be sent via Arbor so it is very important you are registered.**

If you need any help setting up your Arbor account, please contact the school office.
