

HEADTEACHER UPDATE

Well... that's a wrap on the 2025-26 academic year!

This week, our Year 6 SATs results were shared with families, and we couldn't be prouder of every single one of our pupils. They have worked incredibly hard throughout their time at primary school, shown resilience and determination, and should be very proud of everything they have achieved.

We have said a fond farewell to our Year 6 as they move on to secondary school. It was wonderful to celebrate them at their leavers' party and share this special milestone with them and their families. We have also said goodbye to some of our Nursery children who will be starting their next chapter at other primary schools. We are so proud of them and wish them all the very best for the future.

As we look ahead to the new academic year, we are excited to welcome our new Reception and Nursery children and their families in September. It has been a pleasure meeting so many of you at our induction evenings, and we are looking forward to seeing you all again as you begin your journey with us in September.

I would like to wish all of our children, families and staff a fantastic summer break. Thank you for your continued support throughout the year. We hope you enjoy a relaxing summer filled with fun, laughter and happy memories. See you in September!

PTA VOLUNTEERS NEEDED

The PTA is now looking for new volunteers. Whether you can spare a little time or a lot, your support is always appreciated. If you'd like to get involved, please email monksmoorparkpta@gmail.com.

We'd like to say a **HUGE** thank you to Laura, Manjit and Nela for their hard work and commitment to the PTA over the years. Their efforts have made a massive difference to our school community. ❤️

We're busy putting together an exciting programme of clubs for the new academic year. Information about the clubs on offer and how to book places will be shared with families in September.

MESSAGES AND NEWS

MEDICATION

If your child has emergency medication such as AAI's (EpiPen/Jext) or Inhalers, these **MUST** be brought into to school with your child on the first day back with a new medication form. If there have been any changes to your Allergy or Asthma action plan, we will need a fresh copy of this.

Any other medication prescribed, or not, must also be brought in with a fresh medication form.

ALL medication **MUST** be dropped off at the school office, so the forms can be checked and scanned into the system.

CONGRATULATIONS

Well done to Elizabeth and Edward on their brilliant performances at the Woodford Halse Cross Country last week.

Elizabeth took **1st** place in the Year 4 Girls' race, and Edward finished **4th** in the Year 6 Boys' race!

A wonderful achievement for both of you – congratulations!

We hope to attend the event as a school next year... watch this space!
