HEADTEACHER UPDATE

This week has been full of sunshine and celebration! Our May Day event was a huge success, with the children performing beautifully despite the very hot weather. Their dedication during rehearsals and teamwork on the day really reflected our school values—and they certainly didn't give up, showing great perseverance, one of our SHINE school rules. We also enjoyed a brilliant BIG Sing workshop led by the music service, where the children raised the roof with their joyful singing and enthusiasm. Well done, everyone!

Celebrating the 80th Anniversary of VE Day – Thursday 8th May

We're excited to invite all children to come to school dressed in red, white and/or blue on Thursday 8th May as we mark the 80th anniversary of VE Day with a day of celebration and learning.

Children will take part in a collaborative art project and explore the importance and historical significance of this special occasion. We'd greatly appreciate any **donations** of clean, label-free plastic bottles (any size welcome!). The more we collect, the more creative we can be!

Thank you for your continued support – we're looking forward to a memorable and meaningful day.
