## SCHOOL UPDATE

### Welcome back

We have had a lovely start to the term and the children have got back into the swing of things swiftly.

The children had an engaging collective worship on Wednesday led by rev'd dawn, we are always so grateful for these sessions. We have also celebrated our shine award recipients achievements in our weekly shine award assembly on Thursday - this is a much anticipated time of the week.

### Absences during term time

We have been receiving a high number of absence forms, requesting leave during term time. We are grateful for you taking the time to complete the forms, as without these forms being received in advance of an absence, the absence will be unauthorised. We would however like to take a moment to remind families that holidays during term time can not be authorised except in exceptional circumstances.

Regular attendance at school is essential for a child's overall school experience. We understand families want time away together to have a much deserved break, but we would kindly request that these are scheduled for the school holidays - this will also help you to avoid potentially receiving a penalty notice from the local authority. Thank you for your continued support in ensuring your child receives a full education.

## MESSAGES

### Bikes & Scooters

Bikes and Scooters must not be ridden in the school grounds - this includes the car park. They must be left in the bike shed which is situated at the main entrance of the school. We have noted some incidences of children riding their scooters, unaccompanied, across the car park - we must emphasise that this must not happen going forward.

Please could we remind all parents to take care when using the school grounds...

### Welcome Wednesday 25<sup>th</sup> June 2025
