

TIME TO UPDATE

SCHOOL UPDATE

Welcome to the Summer Term!

We hope that you've all made some memories over the break and had some rest (grown ups included)! The children have really got stuck into the summer term, so we're all very proud of them for settling in so well. This term's value is respect and some of the children have already started learning about showing appreciation to others and learning how we can value others. Year 4 started their swimming lessons today and they showed a great example of this school value to the staff at the leisure centre and to the general public when walking back to school. Great work!

May Day Celebrations:

It has been a joy to watch the May Day celebration practises this week. The children have been working very hard, whilst also having lots of fun. The music flowing through the school has really brought joy across the school. We can't wait to see you on 1st May @ 1:15pm.
