HEADTEACHER UPDATE

As we come to the end of our first half-term, I am filled with joy at the amazing learning that has taken place in every classroom. I feel truly blessed to work alongside such dedicated teachers, enthusiastic pupils, and supportive parents and carers – all working together to ensure our vision of nurturing all to flourish and aspire is lived out every day in all that we do.

This week has been particularly exciting! In Year 1, an alien spaceship crashed on the playground, leaving behind a mysterious egg. After a few days – much to the children's delight – the egg hatched and a baby alien appeared! Today, a grateful alien returned to collect the egg and take it home on its spaceship. The awe and wonder in their classroom was priceless! It truly captured the children's imaginations, inspired fantastic sentence writing and lively class discussions.

It was fantastic to see so many children on Wednesday bringing their families in to show off their artwork and classrooms! Thank you to everyone who came along and supported the event. In Year 4, pupils enjoyed an incredible Egyptian Day. They came dressed as Egyptians (we even had an Anubis!) and concluded their learning on Ancient Egypt with a fun-filled day of mask making, jewellery crafting, and even wrapping one of their classmates as a mummy! Meanwhile, Reception continued learning about Diwali following our whole school collective worship. They made beautiful divas and created the most stunning Rangoli patterns. What a wonderful way to conclude our half term! Whatever you get up to over the break, I hope it fills you with joy.

MESSAGES AND NEWS

PTA Disco

We all had lots of fun at the first disco of the year! It was lovely to see the children enjoying themselves and dancing together. The girls vs boys dance-off at the KS2 disco was definitely something to see!

A huge thank you to all the staff and PTA members (it was lovely to see some new PTA faces too) for giving up their time so that we can hold such events. These occasions not only raise valuable funds for the school but also create wonderful experiences and lasting memories for our children. Roll on the Christmas disco!

Sports Kits - help needed

We are looking to do more inter-school sporting competitions this year and we are looking to purchase some school kits. We currently have one football kit but we would love running vests and a new set of netball bibs. If anyone has a company or works for a company who might be interested in sponsoring a school kit, please can you get in touch with Mrs Otway.

SANTA DASH

Please find the poster advertising the annual Daventry Santa Dash. Over the past few years, it has been lovely to have members of the running club take part in this event. If you would like your child to join but are unable to run alongside them, please let Mrs Davies know and we can run with them.
