

# Monksmoor Park CE Primary School

Headteacher: Mrs Vicki Otway

Dear Parents and Carers,

We are writing to inform you about a proposed change to our school's term dates for the 2027–2028 academic year.

Our school is exploring the option of aligning our term dates with those of the Rutland Learning Trust. We believe that greater alignment may offer a number of practical benefits, including improved consistency for families with children attending schools within the Trust, as well as opportunities for closer collaboration and shared planning across schools.

As an academy, the school is responsible for setting its own term dates and is not required to follow the local authority calendar. While there is no statutory requirement for academies to formally consult on term dates, we are committed to engaging with our school community and giving families the opportunity to share their views before any decision is made.

Attached to this letter, you will find the proposed term dates for the 2027–2028 academic year, aligned with the Rutland Learning Trust. We invite you to review these dates carefully and consider how they may affect your family.

We welcome your feedback and would encourage you to share any comments or concerns with us by **Friday 27<sup>th</sup> March 2026**. All responses will be considered by the school's leadership and governing body before a final decision is taken. Feedback can be provided using the link below or paper copies of the form may be obtained from the School Office.
