What we will be learning this year

During this year we have three main topics on which we will base our humanities learning:

In the Autumn term we will learn about Space in “Moon Zoom”.

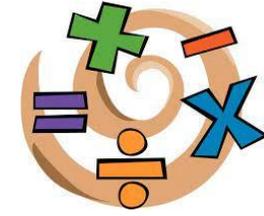

Moving into the Spring term we turn our attention to London in “Bright Lights, Big City”.

Finally, in the Summer term we will focus our learning on animals in our topic of “Paws, Claws and Whiskers”.

Maths

In Year 1 we do daily Maths fluency practice as well as a daily Maths lesson. Maths sessions are focused on the main areas of Number and Shape, Space and Measures.
