OPFCC Early Intervention Team

FREE Virtual Parenting Workshops Catalogue

"The Early Intervention service offers support for children, young people and their families and aim to prevent the need for longer term and more costly and complex intervention. Within the team we have specialisms such as prevention and education around knife crime and exploitation and we support families affected by domestic abuse."

Professionals can refer individuals onto the next available workshop by clicking on the link below and completing the referral form.

The family does not have to be currently working with us to access the workshops.
