

Monksmoor Park CE Primary School

Headteacher: Mrs Katie Towers

Dear Parents and Carers,

We write with exciting news about the remaining Year 4 events for the academic year.

Ancient Egypt Experience Day – Monday 25th March

We are in the process of arranging an Experience Day run by Historic Workshops to enrich our work on Ancient Egypt. This event will be held at school and will be an exciting all-day event where the company will bring Ancient Egypt to life for the children in an exciting hands-on workshop day planned for Monday 25th March. We are asking for a contribution of £15.75 per child to cover costs, however if we do not receive enough contributions by Thursday 29th February the event will have to be cancelled.

Residential Trip – Wednesday 15th-Thursday 16th May

In the summer term, we have planned an over-night residential visit to Everdon Outdoor Learning Centre near Daventry.

Mrs Towers is really looking forward to taking the children to participate in a range of activities in the surrounding countryside, explore the local woodland and take part in games and activities at the centre.

The residential will take place on Wednesday 15th May to Thursday 16th May and we are asking for a contribution of £85.00 to include the transport, activities, food and accommodation. We ask that you complete and return the consent form below to indicate whether your child will attend or not.

Since the children will be spending the majority of their time outdoors they should arrive at school wearing warm clothes suitable for a "Forest School" day. Waterproof outer garments will be provided by the centre along with spare wellies if required.

Accommodation

The accommodation during the residential will make use of the two dormitories within the former Head Teacher's house that is located in the heart of the village with bunkbeds arranged to sleep boys and girls in separate rooms.

Pillows and pillowcases are provided however, children will need to bring their own sleeping bags - the centre does have spare sleeping bags for any child who are not able to bring their own.

All beds have protective covers.
