We are looking for a brilliant class teacher (KS2 preferred) to join us in our growing team at Monksmoor Park CE Primary School.

Our school was purpose built in 2018 and we are fortunate to have excellent facilities and resources. Whilst experience of working in KS2 would be an advantage, we are keen to find the right person to fulfil the school vision of 'Nurturing all to flourish and aspire' so will consider newly qualified applicants as well as those from across the Primary phase.

Our vision applies as much to the staff as the children. You will be joining a school where every voice is valued and we work as part of a very close team. We will work with you to ensure you have what you need to help our children to be the best they can be.

Forest School plays an important part in our curriculum and every class has regular sessions led by a qualified Forest School Leader. An interest in outdoor learning would be a distinct advantage, as would knowledge and experience of working with children with SEND.

Working in a brand new school comes with challenges; everything is a first and we only have a small team to do all the jobs but it is also hugely rewarding. We have a unique opportunity to build and shape a school, not only physically, but also the curriculum and ethos. Come and be part of something very special!

You are strongly recommended to visit our school and meet the team prior to completing your application. We would be delighted to see you!

Do you have:

- A clear vision for an outstanding setting, which incorporates outdoor learning and is routed in Christian values?
- A kind and sensitive manner to nurture each and every child?
- Personal resilience, drive and determination?
- High expectations?
- Passion to develop our school into one which will ensure achievement of the highest levels?

Our vision is to:

- Inspire the future of each child through making learning fun and creative
- Support children in becoming independent, articulate thinkers and learners who have confidence to achieve their ambitions
- Build a team who will listen to children, be fair and helpful, and lead them in knowing and sharing God's love
- Support teachers in their careers and contribution to a vibrant and dynamic Christian community
- Provide a broad and balanced curriculum infused with Christian values

The governors can offer you:

- A unique experience to grow a brand new church school community
- An amazing, well-resourced and purpose built church school
- Their wholehearted support along with that of the local churches and community
- An ongoing commitment to continuing your professional development
