DESCRIPTION OF VACANCY

We are looking for an experienced teaching assistant to join our team who will support children in accessing learning activities including those with special needs, under the guidance of the teacher. You will work closely with the teacher to establish an outstanding setting where children will flourish. A deeply Christian ethos will underpin our work and we will be supported by a hardworking Governing Body and the Peterborough Diocese.

Our vision is 'Nurturing all to flourish and aspire' and this applies as much to the staff as the children. You will be joining a school where every voice is valued and we work as part of a very close team. Continuing professional development is highly valued as we teach children the importance of a love of learning.

Forest School plays an important part in our curriculum and every class will have a weekly session led by a qualified L3 practitioner. Interest in Forest School and outdoor learning would be a distinct advantage.

Working in a brand new school comes with challenges; everything is a first and we only have a small team to do all the jobs but it is also hugely rewarding. We have a unique opportunity to build and shape a school, not only physically, but also the curriculum and ethos. Come and be part of something very special! **Visits to the school strongly recommended.**

Do you have:

- At least three years' experience of working within a school setting
- A kind and sensitive manner to nurture our children?
- Personal resilience, drive and determination?
- High expectations?
- A strong ethos of inclusive provision?

Our vision is to:

- Inspire the future of each pupil through making learning fun and creative
- Support pupils in becoming independent, articulate thinkers and learners who have confidence to achieve their ambitions
- Build a team who will listen to pupils, be fair and helpful, and lead them in knowing and sharing God's love
- Support staff in their careers and contribution to a vibrant and dynamic Christian community
- Provide a broad and balanced curriculum infused with Christian values

The governors can offer you:

- a unique experience to grow a brand new church school community
- an amazing, well-resourced and purpose-built church school
- their wholehearted support along with that of the local churches and community
